MODEL**
(SCALE 1/72)

**ALL PARTS SHAPED AND
READY FOR ASSEMBLY**

Manufactured in U.S.A. by
TESTOR CHEMICAL COMPANY
WOOD WORKING DIVISION
ROCKFORD, ILLINOIS

B-29 SUPERFORTRESS

Testor's Authentic Solid Scale Model Kits have timely, practical educational value. They contain fully shaped wood parts, sandpaper, filler, printed mix and weights; are complete with detailed step-by-step, photographically illustrated instructions and assembly drawings explaining exact procedure to be followed. No carving. No guesswork. No special skill or experience necessary. The easiest, fastest, most satisfying way to assemble authentic solid scale model airplanes. You will find that Testor Kits are generally superior in quality and workmanship.
